Nothing, great formula. I would suggest that the board establish either a member or a couple of members, or recruit CATA members, to recruit people							
Bigger breakfast							
Caffeine in the afternoon.							
More coffee, tea stations near classrooms.							
Sodas on break.							
I missed the hospitality suite. I think it should be re-done to prevent rampant drunkness (I.E. Get tickets or stamps for drinks and limit what is given							
Try to have a bigger selection of classes.							
Coffee & Tea outside classroom areas.							
CATA staff is good!							
Tested USPAP.							
Sell coffee or soda at nominal prices.

If I were to arrange the 2010 conference the first thing I would do:							
		No Answer	37				
Find a vendor to sponsor pizza party on Monday night.							
Have it at Beaver Run again. Offer hot breakfast all days (the continental was good too).							
Bring back those instructors for my classes.							
Similar class selection other than DPT.							
Have more classes.							
Have the conference at Beaver Run. Improve on menu at CATA dinner.							
Make sure we stay at Beaver Run.							
Plan the menu for the dinner and re-book Beaver Run.							
Stay in Breckenridge							
Return to Breckenridge.							
A more neutral dinner menu. Last year was better. With the choice of chicken or italian rather than all mex.							
Go back to Copper, or somewhere new.							
Have more get together opportunities. I missed getting to see everyone on Monday night (it's nice to see who's attending and do some networking							
Go back to Copper. The rooms are more comfortable.							
Bring back the Monday evening dinner & social and improve the quality of the Wed business meeting dinner.							
Keep up the good work!							
Call Las Vegas & hold it there.							
Get rid of dance and do some other social activity.							
Plan one buffet lunch (great networking venue) and opportunity to visit vendors.							
Change where the vendors were located (poor location); if a vendor sponsors the breakfast, I would make sure everyone knew who provided it by							
Pick a different location, maybe Steamboat or Telluride.							
Move it to a small town that needs economic stimulus.							
Get rid of the dance and have a dinner the 1st night of CATA.

As an organization, CATA could use the following improvements:

	No Answer	48					
Help legislate the decrease of 29% assessment rate.							
Bring back Monday night.							
Gather coupons/discounts for local businesses, maybe have this info on the website.							
Can't think of any.							
The dinner was over priced for what was served. The resort employees were in too big of a hurry to clean up before some people were even served.							
Try more reasonable places.							
The dinner, too expensive for what we got. Door prizes were okay.							
Go back to Copper.							
More class choices, too much repetition.							
Support of all 64 county assessors.							
Interest/Recruiting of officers needs to begin well before the dinner. The election is almost an afterthought. Try recruiting Monday & Tuesday as well.							
More active support by Assessors.							
Getting more people to participate in the board.							
Continue to attract high quality, professional providers of course work.							

List any classes you would like offered at the 2010 conference:
