<b>Overall, I felt the 2008 Conference was:</b>			6	46	42	11
<b>My favorite part of this year's conference was:</b>						
No answer	32					
Ag with Judy						
All my instructors were smart, fun and entertaining						
All was great!						
Apex class						
Appraiser forum on Tuesday night						
Attendees - large number allow for better networking						
Being able to ride the lift-glad it was open. Logic & Critical thinking class was excellent. Convenient location						
Being in the Mountains						
Breakfast with eggs on Wednesday						
Added hot breakfast Wednesday morning						
Having hot breakfast, fajita night in lieu of big steak dinner for meeting						
Hot Breakfast						
Hot breakfast on Wednesday morning was very very nice						
Hot Breakfast, dinner meeting						
Hot breakfast, Licensing forum, Change in Date						
Improved Breakfast options. Iced Tea stations Vendor sponsored Kegs. Buffet option for dinner						
Monday dinner and hot breakfast Wednesday morning						
Change in date. I like late August better than October.						
Class selection						
Class selection, organization, chance to get to talk to old friends & meet new ones. Continental Breakfast						
Classes available - Ag classification & water law were very valuable to me - great instructors as well						
Good classes						
Course selection, hot breakfast, dinner						
Deane Wilson is always great!						
Dinner meeting & service much smoother with buffet. Also seemed better attended/participation this year						
Diversity in offerings						
Everything was very close and convenient (classes, restaurants, etc.)						
Fajita dinner and full breakfast						
Fajita dinner and Wednesday dinner meeting						
Fajita Night						
Monday night Fajitas						
Free beer! Just kidding - it was good						
Good instructors - great job.						
Hands on learning in two classes						
Jim Felt - Water Law						
John Yelinick's class on polluted properties (Kaplan College)						
Knowledgeable instructors and interesting/useful classes						
Looking forward to Beaver Run						
Meals, the bike path, condos, shopping						
Meeting others						
My personal property class - I learned a lot and really enjoyed the instructors						
Networking, both with the vendors and other county employees.						
Opportunities to meet people from other counties						
Personal Property class						
Short Business Meeting and Buffet selection, hot breakfast						
Site valuation and Cost Approach class						
The chance to take a required licensing course from Kaplan						
The dance!						

**My favorite part of this year's conference was: (continued)**

The entire conference was first rate. Very well organized and executed. Thanks for a great week.  
 The hot breakfast was great  
 The lift ride for lunch. Good information in classes.  
 The people here were very helpful if needed anything. They were right there and walking around. They helped you find where you wanted to go.  
 The presenting your best case class.  
 The stream-lined dinner meeting. That was a great change. Also the food selection was wonderful. Good door prizes  
 The timing. With the conference in August we have better weather, more daylight after class and more shops/restaurants open.  
 The weather/classes were well thought out  
 Time of year held  
 Time of year in Copper Mtn  
 Visiting and sharing with other counties  
 Water Law  
 Water Law class, convenience.  
 Wednesday breakfast  
 Wednesday dinner was quite good. Wednesday Breakfast buffet was great.  
 Wednesday night dinner  
 ZiZo's

**My lease favorite part of this year's conference was:**

	No answer	50				
--	-----------	----	--	--	--	--

Again - the hot water for tea was not hot and tasted like coffee.  
 Breakfast - cold, no protiens  
 Breakfast seating is very crowded.  
 Breakfast without eggs on Thursday  
 Cold showers and hot classrooms  
 Condo quality  
 Conference rooms were too hot.  
 Copper Mountain  
 Dance was very dark  
 Dinner on Wednesday night was not worth \$40  
 Dogs barking at all hours - got sick eating out.  
 Facility had some issues  
 Had to walk all over the complex. It was not handy to get from motel room to classes  
 Hangovers - Just Kidding!  
 Having to leave  
 High ceiling classrooms  
 Hot temperature of classroom in Mountain Plaza  
 House Construction and Design class - boring - learned nothing new  
 How did vacant land on Thursday (steve) get out at 2 pm and they all still get full CE credit? Doesn't seem fair or right.  
 How hot it was in the classrooms.  
 IAAO design & Construction class. Not very informative or detailed, was basically a review  
 It rained Monday night!  
 Ken Beazers time trending class  
 Lack of affordable dining choices  
 Lack of open restaurants/stores  
 Limited restaurants open, closed early & expensive  
 Location  
 Lodgepole room was too hot  
 Lodging - stuffy and warm rooms - halls and entrances need refurbishing and cleaning  
 My hangover  
 My room. All the closed business and restaurants.  
 No hot water until Tuesday afternoon  
 No signs to guide where different buildings and classes were  
 Not being able to take a hot shower until Wednesday night  
 Not having hot water on Monday night or Tuesday morning  
 Not knowing what the meal menu was for Wed. night dinner or Wednesday Breakfast  
 Oil & Gas classroom was too crowded - 4 to a table can be a little too much - 3 per table is better  
 Our classroom ws short on table for 9 or so people  
 Roofing during class on Wednesday  
 Room key failure - ended up getting new room key every day  
 Room temps were too high  
 Taking a class in a very warm room  
 Test - wasn't informed thatthere was one  
 The break refreshments were not well attended. Ran out of tea, ice, etc.  
 The costume dance. Just a DJ would be fine.  
 The drive  
 The Licensing issues meeting  
 The next morning after ZiZo's  
 Travel between lodging and classes

My lease favorite part of this year's conference was:							
Village Square - way too hot!							
Village square classroom - no air conditioning - too hot!							
Village Square conference room was too hot!!!							
We had to share a 3Bedroom with 6 people & share beds UGH!							
What was provided that was NOT necessary was:							
		No Answer	95				
Appraisal fraud class not geared to Mass Appraisal							
Bad classes							
Costume Dance							
Early lunch times are not needed when you are the only game in town. Even in Breck in August during the week we will be pretty much it.							
Everything provided was necessary							
The dance. This is just something I'm not interested in. I know others really like it.							
Vendor tables							
What was NOT provided that IS necessary is:							
		No answer	84				
A better agenda - or at least more clarification of events.							
Afternoon snacks							
Better Tea and Water service							
CATA Pins							
What happened to the CATA pins?							
I liked the pins. Signs posted for classes in other buildings would have been helpful.							
Hospitality hour							
Hospitality Room - to bring it back maybe do drink tickets?							
Hospitality Suite - Bring it back!							
If your class is scheduled for a test, it needs to be on the sheet when you sign up.							
Maps							
Maps in folders							
Resort map in folders							
Signs or maps for class locations							
More hot breakfasts							
More hot breakfasts							
More Monday full classes							
More time in between end of class and start of evening activities i.e. start time of 7 p.m for dinner and Wed meeting							
morning food							
Nothing I can think of.							

If I were to arrange the 2009 conference the first thing I would do:						
No Answer	65					
Become a member of the CATA board						
Breckenridge is a good choice, but we have done well at Copper						
Change the Wednesday morning breakfast to a Thursday Lunch since we have to be out of our rooms						
Classes that are tested should be at the beginning of the conference						
Compare rates to Breckenridge and consider going there again						
Comply with Colorado Statutes						
Consider On-line registration						
Consider more 1/2 day classes throughout the week. Brainstorming sessions on issues (how other counties handle them and what resources they have)						
Continuing with the hot breakfast is a good idea. Not sure how successful the dinner is for the expense. Maybe go back to the Friday morning						
Create classes with either beginner instruction and intermediate/advanced subject matter i.e. beginner statistics, advanced statistics						
Different site i.e. Winter Park, Colorado Springs, Breckenridge						
Encourage the DPT to teach as many classes as possible as this is the most economic way to get CE for all attendees.						
Find classrooms with lower ceilings - difficult to hear						
Get IAAO and Appraisal Institute to attend as vendors and sell their publications.						
Go back to Copper Mtn						
Have it in Breckenridge						
Have it in Breckenridge. Better choice of restaurants and prices						
Have someone scope out the lodging interior and post photos on the CATA website						
Hot breakfast every morning						
If you are needing more help during the conference - I suggest you either expand the board or ask for volunteers to help out during next year's						
Look into video conferences for those unable to attend, as an option (would help with budget restrictions, etc)						
Make sure the nearby shops are open.						
Make the dance last till at least midnights. Ending it early doesn't mean that people are going to go to bed. I think it encourages after-dance room						
More free beer, colored name badges						
Move from Copper						
Move it to Steamboat						
Move location - I understand this has been done						
Not go back to Copper						
Nothing new						
Pick a time of year/place where there are more businesses open						
Put it somewhere more easily accessible to restaurants						
Replace the costume dance with Texas Hold'em/Dance						
Same time of year for next year.						
Send information and course selections out earlier						
Send information to people prior to them arriving @ Copper (where to go to pick up registration)						
Send out class confirmations (by email) We didn't know if we had gotten a class with limited capacity						
Start earlier on Thursday						
Survey what subjects the counties wanted classes on - more 1/2 day classes for Monday						

**As an organization, CATA is doing the following things right:**

No answer 62

Class offerings, evening fun, very helpful CATA board.

Class scheduling and class selection. Chris Bellagante is the sexiest board member ever!!!

Class selection - venue - extra curricular events

Continuing education and information/data sharing

Continuing Education opportunities are good.

Doing a fine job organizing the event

Dues are very reasonable &amp; communication w/ members is sufficient

Education, keeping us up to date on license changes

Education, networking, exchange of information between counties

Everything

Everything was very good

Everything!

Everything!

Everything!

Getting everyone involved, including counties, DPT and vendors

Getting everyone together for classes and networking

Good dedication by the board.

Good job

Holding CATA for continuing Ed

I enjoy the conference immensely

It seems like every year things get more streamlined. The Fajita night and the dinner were very good.

It was excellently planned

Its all good

Looking out for our education needs - doing great

Most everything

Most things.

Mpromoting all counties feeling somewhat unified in the same boat. Promoting open Q &amp; A between counties

Offering good selection of classes

Once you got your registration packet everything was easy to find

Organized, good class offering and events

Overall - pretty good

Overall - very good

Overall - well done!

planning, courses, meals

Presenting good CE opportunities including qualifying courses. I like having a kitchen in my room.

providing continuing education classes

Providing education, networking opportunities, supportive connections to peer groups

Scheduling CATA earlier - it was nice to have shops open, things going on and staff at Copper; A full breakfast is wonderful much nicer than just

Seeking member feedback and opinion, lack of feedback is an indication of a great job being done, but providing the opportunity is whats important

The board did a great job.

The board of Directors is an incredible group of people. You are the heart, soul, conscience and vitality of CATA. Thanks gys &amp; gals

The CATA officers are inventive &amp; thoughtful in organizing a conference that is superior to some national conferences I've attended.

The education and extra cirricula is great

This is a very fine organization with outstanding members and a first class board!

You must provide courses that follow your name i.e. CATA i.e. Assessment oriented classes not Fee Appraiser classes.

**CATA could use the following improvements:**

No Answer	83					
A new location - back to Breckenridge as there is more to do						
A nice dinner that is not a buffet						
Add more statistics classes or others that fill up fast - have 2 sessions of those classes						
Better Coffee						
Considering the bang for the buck, how could you possibly improve?						
Get rid of people who arent interested in learning. Tired of people who text on the phone or talk all day. They are a big distraction & as well it's very						
I would like it to be a 5 day (full week) event. This is a good opportunity to take many classes in one trip (gas costs, etc.) so one more day would be						
Its hard to believe how this small board puts together this conference. I think you all should explore getting help before this board burns out or runs out						
of people to volunteer.						
It's pretty close to perfect in my opinion.						
More affordable lodging so we don't have to share rooms.						
More days						
More hot breakfasts						
More interaction (participation with members more)						
Not use Copper Mountain						
Nothing						
Nothing						
Signs where buildings are for classes						
The room changes for classes should have been posted or something to make less confusing. Also signs for classes outside the main conference						
Too bad all instructors cant be more enthusiastic!						
We need to separate from real estate						

**List any classes you would like offered at the 2009 conference:**

No Answer	70					
A more detailed and thorough Construction class						
Advanced Income						
Ag Land Valuation, Advanced State Assessed (maybe together with intro)						
Appraisal Institute classes						
Appraisal Institute classes - indepth week long coursework						
Appraiser Fraud - House Design						
Cap Rate classes						
Condo & Townhome valuation, Desktop APEX for end users.						
Course on loan financing, cash equating- 1/2 day class?						
Deed Plotter class						
Diversify the classes						
GIS for Assessors						
GIS Mapping and Utilization						
Golf course valuation, any other required licensing courses not offered by DPT						
Hotel/Motel valuation - Oil & Gas Pipelines valuation						
IAAO classes						
IAAO or ASA Personal Property classes						
Kaplan College						
Manufactured homes, statistics						
Manufactured housing						
Mining claims, Sand & Gravel Assessment, Machinery & equipment valuation						
More base appraisal classes - cost,market, income						
More qualifying education classes						
More qualifying education classes						
Possibly offer Excel/Word classes (if it counted towards continuing Ed)						
Report Writing, Highest and Best Use, Appraisal Institute classes						
Tax increment financing						
The classes seem to keep getting better. It would be nice if maybe some were rotated between years, to offer different options.						
The forum was good						
TIF and Water Law						
USPAP						
USPAP, Aprr 802 Oil & Gas, Sand & Gravel, Possessory Interest						
Water Law, Appraiser Fraud						
Water Law, Logic & Critical Thinking are both very good classes, you should have them every year						

Please Rate the Appraisal Licensing Issues Forum on how beneficial it was if attended, and if the scheduling was appropriate:						
No Answer	81					
Scheduling was fine - content was irrelevant. Many attendees though it would help explain how to complete paperwork with experience info. Was just a whine session that went nowhere. If they were looking for input on CAA spending money to supplement, etc. then they should have explained current procedures, funding, etc. If this is done next year, please post an agenda, ask attendees to be prepared for the meeting, limit the time any speaker/audience has. Also quit giving door prize tickets half way through. People only showed up for the last 5-10 minutes & all of those late						
Informative and scheduled appropriately						
Schedule was good but I'm not interested in how the licensing will change.						
It was fair. We needed to hear more from staff appraisers and less from Mr. Wissel						
Good						
Revisited issues - but no real decision or solutions. Need to focus on educational opportunities from AI & IAAO & how we can make it more affordable.						
Supporting staff in licensure is of utmost importance. Realize the value of knowledgeable, professional staff to our citizens as well.						
Below average - same old info						
I think it was a great idea to have it and I totally forgot to go!						
Need to have time for real discussion not pontification						
We need to look at this issue. I was happy I attended.						
I went to it. Good Idea to post. Also a good idea to open agenda for statewide issues forum						
It was beneficial, raised some questions that weren't answered, would like to see the forum on CATA site activated. Should be interesting in the future.						
Sounds like the Assessors are not in agreement on this subject or DPT.						
It was good						
Same topic for years - we don't want to lose Appr Licensing						
Too much Dave Wissel						
Excellent						
Very poor - didn't get any worthwhile info from it. Scheduling was fine.						
Discussion was good. I think the powers that be are looking at licensing when it is the ethics of some already licensed and loan officers that needs						
Good. Scheduling is probably the best it can be. It was too bad so much time was devoted to how we got where we are today when it seems the attendees wanted help for the problems of today. We ran out of time for that discussion.						
I did attend ( I think it should have been mandatory.) Help with ideas of what can happen with licensing but I think we need to get together again.
